## Corporate Sponsorship Application

Far West Skiing, Inc will be launching a new website on October 1<sup>st</sup>, 2016! This is a great time to get involved via our Corporate Sponsorship Program. The Corporate Sponsorship of the Performance Fund Drive provides ski industry and general business a way to participate in the development of Far West alpine athletes. Through the two levels of website sponsorship provided below, businesses can help these athletes achieve their dreams and goals, and can be recognized within the Far West community for their efforts.

Far West Skiing is a division of the U.S. Ski and Snowboard Association responsible for the organization and administration of youth Alpine Ski Racing in California and Nevada with the objective of placing elite Alpine competitors onto the U.S. Ski Team as well as NCAA and USCSA college ski racing teams. Our website is [www.fwskiing.org](http://www.fwskiing.org). Far West Skiing represents approximately 1300 competing athletes ranging in age from 8 to 22 years old, representing 750 families. Far West Skiing has a long heritage of producing world class alpine skiers. Through the Far West Skiing Sponsorship program we provide economic support to Alpine Skiing athletes that have qualified for Regional, National and International qualifying and championship competitions.

**Far West Skiing is a non-profit organization under the IRS tax code, Section 501(c)(3) and will issue a receipt for the retail value of the donation pursuant to IRS guidelines.**

New Far West Skiing Website being launched October 1<sup>st</sup>, 2016

Podium Level

Support Level

Central and South Series: awarded 1<sup>st</sup>-5<sup>th</sup> place.

For the individual overall season awards, U12/U10 series races will be scored by age class using current "Old World Cup Points". A racer may win a series award in only one geographic area (North/Central/South). The results from the championships shall be scored separately. All results from the scheduled series races (regardless of discipline) are used to calculate the series awards. A tie is broken by a racer's best GS "Old World Cup" score(s), moving to Slalom until the tie is broken. If conditions force the cancellation of a series race, the FWS ACC U12/U10 subcommittee determines and publicizes any necessary changes in scoring.
